

Ghost Masquerade

Ghost Masquerade

Dear parents,

Cominar shopping centres are coming together to create a fun Halloween activity for your little monsters! At the moment, the million-dollar question is "Will the kids go trick or treating this year?"... we don't have an answer yet, but we thought of offering a fun alternative solution so your little ones can enjoy some excitement this Halloween!

Before the rally

1. Print out this document. Make copies, or print pages 7 & 8 in as many copies as you have participants. You don't have a printer? No problem! Simply visit your shopping centre's customer service desk to retrieve your printed rally kit.
2. Cut out the cards on pages 4 - 6 and hide them randomly in various rooms in your home. Use your imagination to find good hiding spots, or use our cheat sheet!
3. Prepare one bag of candy for each participant, or fill out **this form** to receive a free surprise bag. You'll be able to come retrieve it starting on October 16th, at your shopping centre's customer service desk.

During the rally

1. Distribute the quiz to your little monsters and read the story out loud to start your rally.
2. Start looking for ghosts.
For the little children: ask them to find the hidden ghosts, and write down the words on the quiz.
For the older children: ask them to write down the answers themselves. This will make them practice their reading & writing skills.
3. When all ghosts have been found, help the children find the magic spell by putting the words in order.
4. Have them recite the magic spell (with their eyes closed, if possible) and bring out the bag of candy, along with their participation certificate that they can decorate with you.

Cheat Sheet

1. Where the werewolf cleans his fangs to avoid getting cavities. **[Bathroom]**
2. Where Snow White prepares delicious meals for her friends, the seven dwarves. **[Kitchen]**
3. Where pirates love to steal the TV remote! **[Living room]**
4. Where ghosts gather together to enjoy a spooky delicious feast! **[Dining room]**
5. It's the best spot for little goblins to do their homework. **[Office]**
6. Where the witch keeps her ingredients to prepare her magic potions. **[Pantry]**
7. This is your own treasure trove, where you can find everything that you love to play with. **[Playroom / Toy chest]**
8. It's the monsters' favourite hiding place. **[Bedroom / Bed]**
9. Where princesses clean their most beautiful dresses. **[Laundry room]**
10. Where you can find your best bedtime story. **[Bookshelf]**
11. Where the skeleton gets his clothes when he's cold. **[Closet]**

Ghost Masquerade

Every year, on Halloween night, a group of ghosts hold a great masquerade in their sumptuous mansion. According to the legend, these ghosts have a well-kept secret: they know a magic spell to make candy appear! Every ghost in the manor knows one word of the magic spell; they must come together to recite it. But these ghosts are a little mischievous – and they love to play hide & seek!

Will you accept this mission?

Find all hidden ghosts and write down the words on your sheet. Once you've found all 11 ghosts, put all the words in their proper order to discover the magic spell. Will you recite the complete spell and make candy appear?
